Purpose

To establish an option to address the problem of improvement and maintenance of roads not in the County Maintained Road System.

Background

Since many roads do not meet the specifications for acceptance into the County Maintained Road System, this policy sets forth methods of providing for their improvement and/or maintenance.

Policy

It is the policy of the Board of Supervisors that:

The establishment and use of a County Service Area or a Permanent Road Division is appropriate as a mechanism to address various road improvement and maintenance problems in San Diego County; and it is determined that any request for the establishment of or annexation to a County Service Area or a Permanent Road Division for road improvement and maintenance purposes will be reviewed on an individual basis by the Department of Public Works.

Sunset Date

This policy will be reviewed for continuance by 12-31-03.
